***MONMOUTH***

## *Dedication*

We, the class of 1962, dedicate this Eagle to all who have helped make possible all our wonderful memories: the Freshman trip, the Sophomore class sweaters, the Junior class rings, our class plays, our Senior trip, and graduation. We are grateful for the opportunities we have had to learn, work, have fun, and prepare ourselves for the years beyond high school.

To our sponsors: Mrs. Yager, Mrs. Herderhorst, and Mr. Owens, we give our sincere thanks for their patience and understanding.

# *This Is Our School — Monmouth High*

A friend indeed is the Board of Education, who willingly sacrificed time, money, and interest for the welfare of our school.

## Secretary

Marlene Bittner

The secretary of our school fills an important function in efficient operation of our school office. Upon her shoulders falls the tasks of keeping records up-to-date, publishing bulletin notices, answering student questions, greeting guests, answering the many phone calls, and keeping everyone posted on the routine of the school. Often it means giving of extra time to fulfill her job.

## TEACHERS

Teachers are a symbol  
Of knowledge that we know,  
Their duty to transplant it  
In the minds of youth to grow.

Teachers offer challenge  
To a changing world and time  
In league with mental process  
Life's duty they outline.

Teachers are an honor  
To the area that they serve  
Adjusting life to progress  
Aiding justice we preserve.

Teachers are a factor  
In our future time and trend  
For they prepare foundations  
That youth expands, amends.

Teachers are the people  
That promote thought;  
All our country's progress  
Came from labor they wrought.

So we say to teachers  
Wherever you may be,  
Life's future is dependent  
On the thoughts you seed.

## *Janitor and Helpers*

Our hard-working janitor and his helpers deserve a great deal of credit for keeping our school in such fine condition. Such varied duties as cleaning up after ballgames and dances, mending broken equipment, mowing grass and shoveling snow. He is called upon during the year and is always reliable and willing to help. To them we extend our grateful thanks.

These are the Juniors and Seniors

who were responsible for this book.

We hope you like it.

It is enough. Love fills our soul with memories. With these words we close this book. We have tried to recall to you our dedicated teachers, true classmates, extracurricular activities, and memorable events. As these thoughts linger with us, we shall remember "Where'er we roam, whatever realms to see, our hearts untravelled turn to thee." - Monmouth High School.
